REQUEST FOR CERTIFICATE OF CORRECTION UNDER 37 C.F.R. § 1.323

Certificate of Correction Branch

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Patentee requests that Letters Patent No. 6,208,250 be corrected as noted on the attached Certificate of Correction. We are correcting typographical errors to claims 38, 62, and 63. In the original claims filed on March 5, 1999, claim 38 included the recitation “configured to received the output signal.” This recitation includes a grammatical error and should read “configured to receive the output signal.”

In the amendment filed on October 2, 2000, the claims 62 and 63 were filed as new claims 82 and 83 respectively. Each claim, as filed, included the recitation “detection system includes controller coupled.” This recitation includes a grammatical error and should read “detection system includes a controller coupled.”

It is submitted that each of these errors are mistakes of minor character that do not constitute new matter nor require reexamination. Therefore, the assignee requests that a Certificate of Correction of U.S. Pat. No. 6,208,250 be issued to correct the errors. The fee of \$100 for the Certificate of Correction required under 37 C.F.R. §1.20(a) is submitted herewith. The Commissioner is hereby authorized to charge any additional fees which may be required to Deposit Account 10-0435, with reference to Attorney Docket 7175-61512.

Respectfully submitted,

BARNES & THORNBURG LLP
